

# Turn Off TV Week

## April 21-27, 2008

Dear Parents and/or Guardians,

This year, our class will be participating in **Turn Off TV Week from April 21-27, 2008**. We would love to have your full support in this endeavor! In addition to helping students realize that there's more to life than just watching TV, [www.ScreenTimeMatters.com](http://www.ScreenTimeMatters.com) is raffling off a \$50 U.S. Savings Bond to students who fully participate in the challenge.

So, how about it? Would you be willing to support your child in turning off the TV this week? Please let us know by returning to school the bottom portion of this letter by Monday, April 21, 2008.

In addition, we are looking for one or two volunteers who would be willing to bring in a special treat, such as \_\_\_\_\_ for the students on Monday, April 29, in honor of their hard work and commitment to this project.

To get the most out of this experience, please take some time this weekend to talk about the things you can do instead of watching TV. We will be doing classroom activities each day to correspond with this theme as well.

In addition, you can find free screen time resources for parents at [www.ScreenTimeMatters.com](http://www.ScreenTimeMatters.com).

Sincerely,

---
